Keep The Girl

**B C# X2**

**B C#**  
This life is full of choices,  
**B C#**  
Hard to make one all the voices,  
**F# C#/F# Ebm C#**  
In my head,  
**B C#**  
Those blue eyes I m in love with,  
**B C#**  
Or that highway which ever I pick,  
**F# C#/F# Ebm C#**  
There ll be regrets,  
**B C#**  
I go one way I lose everything,  
**B C#**  
I go the other way same thing,

(Chorus)  
**F# C#/F#**  
I m torn and it s tearing me apart,  
**Ebm B**  
I want to go but I don t want to break her heart,  
**F# C#/F#**  
Like a sword with a double edge blade,  
**Ebm B**  
It s gonna cut deep either way,  
**Ebm C#**  
This little town that big old world,  
**Ebm C#**  
Chase the dream or keep the girl,

**B C#**  
More than once I packed it all up,  
**B C#**  
But I break down blame it on the truck,  
**F# C#/F# Ebm C#**  
Just couldn t go,  
**B C#**  
Just wanna be out there making my mark,  
**B C#**  
Lay down every night in her arms,

(Chorus)

**F# C#/F#**

I m torn and it s tearing me apart,

**Ebm B**

I want to go but I don t want to break her heart,

**F# C#/F#**

Like a sword with a double edge blade,

**Ebm B**

It s gonna cut deep either way,

**Ebm C#**

This little town that big old world,

**Ebm C#**

Chase the dream or keep the girl,

**B C#**

I don t know why I can t have it all,

**B C#**

Need to tear down that wall,

**B C#**

Between this little town that big old world,

**B C#**

Go chase my dream and keep the girl,

(Chorus)

**F# C#/F#**

I m torn and it s tearing me apart,

**Ebm B**

I want to go but I don t want to break her heart,

**F# C#/F#**

Like a sword with a double edge blade,

**Ebm B**

It s gonna cut deep either way,

**Ebm C#**

This little town that big old world,

**Ebm C#**

Chase the dream or keep the girl,

**F# C#/F# Ebm B x4 (fade out)**

I want it all,

Keep the girl,

Hey.
