Keep The Girl

D E X2

D E

This life is full of choices,

D E

Hard to make one all the voices,

A E/F# F#m E

In my head,

D E

Those blue eyes I m in love with,

D E

Or that highway which ever I pick,

A E/F# F#m E

There ll be regrets,

D E

I go one way I lose everything,

D E

I go the other way same thing,

(Chorus)

A E/F#

I m torn and it s tearing me apart,

F#m D

I want to go but I don t want to break her heart,

A E/F#

Like a sword with a double edge blade,

F#m D

It s gonna cut deep either way,

F#m E

This little town that big old world,

F#m E

Chase the dream or keep the girl,

D E

More than once I packed it all up,

D E

But I break down blame it on the truck,

A E/F# F#m E

Just couldn t go,

D E

Just wanna be out there making my mark,

D E

Lay down every night in her arms,

(Chorus)

A E/F#

I m torn and it s tearing me apart,

F#m D

I want to go but I don t want to break her heart,

A E/F#

Like a sword with a double edge blade,

F#m D

It s gonna cut deep either way,

F#m E

This little town that big old world,

F#m E

Chase the dream or keep the girl,

D E

I don t know why I can t have it all,

D E

Need to tear down that wall,

D E

Between this little town that big old world,

D E

Go chase my dream and keep the girl,

(Chorus)

A E/F#

I m torn and it s tearing me apart,

F#m D

I want to go but I don t want to break her heart,

A E/F#

Like a sword with a double edge blade,

F#m D

It s gonna cut deep either way,

F#m E

This little town that big old world,

F#m E

Chase the dream or keep the girl,

A E/F# F#m D x4 (fade out)

I want it all,

Keep the girl,

Hey.
