

Night Train
Jason Aldean

Im pretty sure this is how it goes.
Capo on 3
Standard Tuning

[Intro] **Bm G D A**

[Verse]

D **G**
I ve been thinking bout you all day baby
D **G**
Waiting on that sun to go down
D **A**
Won t you say I pick you up after work
G
Slide over and slip out to the outskirts of town
D **G**
Got a blanket and a fifth of Comfort
D **G**
A little something to knock off the edge
D **A**
It s supposed to get a little cold tonight
G
Looks like I m gonna have to hold you tight

[Chorus]

Bm
Bout a mile off Old Mill Rd
G
That spot nobody knows
D
Park the truck and we take off running
A
Hurry up girl I hear it coming
Bm
Got a moon and a million stars
G
The sound of steel and old box cars
D
The thought of you driving me insane
A **G**
Come on baby let s go listen to the night train
D **G**
Yeah I hope it s gonna be a long one
D **G**

If we re lucky it s moving slow
D **A**
Wouldn t mind if it lasted all night
G
Right next to you on that hill side

[Chorus]

Bm
Bout a mile off Old Mill Rd
G
That spot nobody knows
D
Park the truck and we take off running
A
Hurry up girl I hear it coming
Bm
Got a moon and a million stars
G
The sound of steel and old box cars
D
The thought of you driving me insane
A **Bm** **G** **D** **A**
Come on baby let s go listen to the night train
Bm **G** **D** **A**
Let s go listen to the night train

[Chorus]

Bm
Bout a mile off Old Mill Rd
G
That spot nobody knows
D
Park the truck and we take off running
A
Hurry up girl I hear it coming
Bm
Got a moon and a million stars
G
The sound of steel and old box cars
D
The thought of you driving me insane
A **Bm** **G** **D** **A**
Come on baby let s go listen to the night train
Bm **G** **D** **A**
Let s go listen to the night train

[Outro]

Bm G D A x2
