Intro:

A D A D

A

On my highway the yellow lines,

D

Have disappeared from time to time,

F#m E D

And I ve wound up on the wrong side of the road,

A

On my highway I ve gone to fast,

D

Afraid that I might finish last,

F#m E D

I hooked a curve too hard and lost control,

F#m E D

Oh I never know which way it s gonna go,

(Chorus)

A

But what a feeling chasing the sun,

E

Living my life like it s shot from a gun,

F#m E D

Laughing a little bit more with every mile,

A

Oh what a freedom racing the wind,

E

Dying to know whats around the next bend,

F#m E D

And smiling as I watch the years roll by,

F#m E D A D

I m learning how to take it day by day on my highway,

On my highway I missed some signs,

And left a damn good love behind,

I see her in my rear view like a ghost,

On my highway I ve broken down,

And cried when no one else was around,

And prayed that God would save my soul,

Ya I ve paid a lot of heavy tolls,

(Chorus)

(Bridge)
