

**Texas Was You**  
**Jason Aldean**

Standard tuning with capo on first fret

Intro **G,D,C**, same progression throughout song

Ohio was a riverbank  
A 10 speed layin in the weeds  
Cannonball off an old rope swing  
Long, long summer days

Tennessee was a guitar  
First big dream of mine  
If I made it, yeah, that d be just fine  
I just wanted to play, I just wanted to play, but...

CHORUS

**Em-D-C G D C**  
Texa-s was green eyes crying goodbye

**Em**  
Was a long drive  
**D C Em D C**  
A heartache I m still trying to get through  
No chord **G-D-C**  
Texas was you

Carolina was a black car  
A big white number three  
California was a yellow jeep  
Cruisin down Big Sur

Georgia was a summer job  
And Bama was a spring break  
I got memories all over the place  
But only one still hurts, only one still hurts like

CHORUS

Texas was green eyes crying goodbye  
Was a long drive  
A heartache I m still trying to get through  
Texas was you

Texas was my whole life waving goodbye  
Thought I d die  
A heartache I m still trying to get through  
Texas was you

It will always be you
