Soaking in the rain, baking in the sun

Don t quit till the job gets done

Straight ahead never turn round

Don t back up, don t back down

Full throttle wide open

You get tired, you don t show it

Dig a little deeper when you think you can t dig no more

That s the only way I know

That old red dirt the first thing you learn

You find out just how bad you want it

**A**

Sun in our eyes backs to the fences

**D**

Didn't know the odds were against us

Hit the wall smoking and spinning

Still wasn't thinking 'bout nothing but winning
