

This I Gotta See
Jason Aldean

Intro: D G/B C (You re gonna have to play around with the picking)

D
I can t count the barns I ve past,
G/B C
Painted red, white and black,
D G/B C
See rock city,
D
And up ahead there s a turn,
G/B C
Take me right through Gatlinberg,
D G/B C
I hear it s pretty,
D
Maybe some other time,
G/B C
I can t slow down,
D
Right across that state line,
G/B C
Right about now,

Chorus:

G
Her hairs still wet from her bath,
D/F#
Shes sitting on her front porch with a glass,
C
Of iced tea,
C
In my sweat shirt,
C
And her bare feet,
C **D**
This I gotta see,
G
If I hurry I can catch,
D/F#
The colors on her skin from that sunset,
C
And her face,
C
And that love waiting on me,
D **G/B** **C**

This I gotta see,
D **G/B** **C**
This I gotta see,

D
I cant wait to get to her,
G/B **C**

Man I wish I were,
D **G/B** **C**
There already,

D
Shes the only thing that keeps,
G/B **C**

This world from driving me,
D **G/B** **C**

Crazy,

D
I just hit that city limit,
G/B **C**

Yeah and that a pretty good sign,

D
If I pick It Up a bit,
G/B **C**

I ll be right on time,

Chorus:

G
Her hairs still wet from her bath,
D/F#

Shes sitting on her front porch with a glass,
C

Of iced tea,

C
In my sweat shirt,

C
And her bare feet,

C **D**
This I gotta see,

G
If I hurry I can catch,

D/F#
The colors on her skin from that sunset,

C
And her face,

C
And that love waiting on me,

D **G/B** **C**
This I gotta see,

D **G/B** **C**
This I gotta see,

The Bridge just keeps the same pattern D G/B C
