

Wheels Rollin
Jason Aldean

Key of Bb

No Capo

Alternatively could be played with a capo on the 1st fret and the chords would be

Bm instead of Cm, A instead of A#, and E instead of F

Cm **A#**
Counting the lines on a highway road

F **A#**
Mile one by one

Cm **A#**
Flying through the midnight rain

F **A#**
Like a bullet from a gun

Cm **A#**
I lay down but I can't sleep

F **A#**
cause I still feel the band

Cm **A#**
Still on a high from the crowd in the lights

Cm **A#**
with a cold one in my hand

Singing

Cm **A#**
Here I go, down this road

F
Another town, another state

A#
I wouldn't have it any other way

Cm **A#**
All I want, is to sing my songs

F
Hearing that crowd, keeps me going

A#
Guitars rocking, wheels rolling

I step up, the lights go down
I hear that first chord ring
It's where I go to lose myself
Forget about everything

It's my home away from home
Hanging with my friends

It s a crazy life, but every night
I get to do it again and again and again

Here I go, down this road
Another town, another state
I wouldn t have it any other way
All I want, is to sing my songs
Hearing that crowd, keeps me going
Guitars rocking, wheels rolling

Here I go, down this road
Another town, another state
I wouldn t have it any other way
All I want, is to sing my songs
Hearing that crowd, keeps me going
Guitars rocking, wheels rolling

Here I go
On down this road
Don t you know
I wouldn t have it any other way
