

**Wheels Rollin**  
**Jason Aldean**

Key of Bb

No Capo

Alternatively could be played with a capo on the 1st fret and the chords would be  
Bm instead of Cm, A instead of A#, and E instead of F

**Bm**                      **A**  
Counting the lines on a highway road  
**E**                      **A**  
Mile one by one  
**Bm**                      **A**  
Flying through the midnight rain  
**E**                      **A**  
Like a bullet from a gun

**Bm**                      **A**  
I lay down but I can t sleep  
**E**                      **A**  
cause I still feel the band  
**Bm**                      **A**  
Still on a high from the crowd in the lights  
**Bm**                      **A**  
with a cold one in my hand

Singing

**Bm**                      **A**  
Here I go, down this road  
**E**  
Another town, another state  
**A**  
I wouldn t have it any other way  
**Bm**                      **A**  
All I want, is to sing my songs  
**E**  
Hearing that crowd, keeps me going  
**A**  
Guitars rocking, wheels rolling

I step up, the lights go down  
I hear that first chord ring  
It s where I go to lose myself  
Forget about everything

It s my home away from home  
Hanging with my friends

It s a crazy life, but every night  
I get to do it again and again and again

Here I go, down this road  
Another town, another state  
I wouldn t have it any other way  
All I want, is to sing my songs  
Hearing that crowd, keeps me going  
Guitars rocking, wheels rolling

Here I go, down this road  
Another town, another state  
I wouldn t have it any other way  
All I want, is to sing my songs  
Hearing that crowd, keeps me going  
Guitars rocking, wheels rolling

Here I go  
On down this road  
Don t you know  
I wouldn t have it any other way
