

## Numb

Jason Blaine

I couldn't find the chords for this song anywhere so I just made them up, I'm sure  
it's not exactly how he does it but it sounds fine to me.

INTRO: **G D A Em** **G D A** (Strum **G** twice and after the second strum quickly switch to **D**)

**G** **D** **A** **Em**  
Hung my jacket on the back of the kitchen chair  
**G** **D** **A**  
Slung my keys back behind me, on the counter somewhere  
**G** **D** **A** **Em**  
Laid sideways across the bed closed my eyes and tried  
**G** **D** **A**  
to make some sense out of your good-bye

**G D** **A** **Em**  
I don't know what to feel  
**G** **D** **A**  
What's done is done  
**G D** **A** **Em**  
Who knows maybe I will  
**G**  
When the morning comes  
**G**  
Right now I'm still numb

**G** **D** **A** **Em**  
I keep waiting on that wave of pain to roll over me  
That what the hell just happened starts sinking in deep  
I don't know if I should cry or just get mad  
Curse your name or miss you bad

I don't know what to feel  
What's done is done  
Who knows maybe I will  
When the morning comes  
Right now I'm still numb

You must've thought that I was something  
Standing there saying nothing  
Watching you walk away  
What could I say

I don't know what to feel  
What's done is done  
Who knows maybe I will

When the morning comes  
Right now I m still numb
