   G#   **Eb**   **G#**
Finished a bottle of bourbon until it was through

(verse 2 - same chord pattern)
I dont care that I canâ€™t sleep
Iâ€™d just as soon stay up all week
I might get some things done while others dream
The heater broke and the room got cold
And my knees and ankles say Iâ€™m gettinâ€™ older
The phone finally rang but it wasnâ€™t for me

Chorus:
     Cm   **C#**
If everyone was together
        G#   **C#**
I guess no one would be alone
F   **Eb**   **G#**
Lifeâ€™s a lot of trade offs in the end
Cm   **C#**
Somewhere in the fields of heather
     G#   **C#**
The proud souls laugh and they love together
 F   **Eb**   **G#**
Somewhere between passion and losing friends

Verse 3-( same as verse 1&2)

Sleep finally came but I woke up alone
My head was next to the telephone
I gave the sun a cussin’ as I drew the shades
One thing that always seems true
That’s when I’m hung over the sky is blue
A rough night for me will make a hell of a day
And I believe in ghosts and democracy
And that each man should leave his legacy
Be that mans work great or be it small
I don’t believe in everything like
The designated hitter or that diamond rings
Will make love last forever for one and all

(chorus)
Cm                              C#
Cause if everyone should be together
   G#                    C#
Why are some many left alone
F               Eb          G#
Life’s a lot of trade offs in the end
Cm              C#
Somewhere in the fields of heather
   G#                          C#
The proud souls laugh and they love together
F               Eb              G#
Somewhere between passion and losing friends
F               Eb                  C#
Somewhere between passion and losing friends
