

**Only A Mountain**  
**Jason Castro**

Only A Mountain  
Jason Castro

No capo

**G** **D**  
Another day another fight  
**Bm** **A**  
It always feels like an uphill climb  
**G** **D**  
Another step another mile  
**Bm** **A**  
The story of your life  
**G** **D**  
It's harder than you ever thought  
**Bm** **A**  
And it costs you everything youâ€™ve got  
**G** **D**  
When youâ€™re back against the wall  
**Bm** **A**  
And you feel like giving up

[Chorus]  
**G** **D**  
This is only a mountain  
**Bm** **A**  
You donâ€™t have to find your way around it  
**G** **D**  
Tell it to move itâ€™ll move  
**Bm** **A**  
Tell it to fall itâ€™ll fall  
**G** **D**  
This is only a moment  
**Bm** **A**  
You donâ€™t have to let your fear control it  
**G** **D**  
Tell it to move itâ€™ll move  
**Bm** **A**  
Tell it to fall itâ€™ll fall

**G** **D**  
Youâ€™ve gotta find a second wind  
**Bm** **A**  
Itâ€™s not as high as you think it is

**G** **D**  
Donâ€™t give up and donâ€™t you quit  
**Bm** **A**  
Youâ€™ve gotta climb if you wanna win

**G** **D**  
And I know it looks big  
**Bm** **A**  
And I know you feel small

**G** **D**  
But just a little bit of faith can  
**Bm** **A**  
change it all change it all

[Chorus]

**G** **D**  
This is only a mountain  
**Bm** **A**  
You donâ€™t have to find your way around it

**G** **D**  
Tell it to move itâ€™ll move  
**Bm** **A**  
Tell it to fall itâ€™ll fall

**G** **D**  
This is only a moment  
**Bm** **A**  
You donâ€™t have to let your fear control it

**G** **D**  
Tell it to move itâ€™ll move  
**Bm** **A**  
Tell it to fall itâ€™ll fall
