Thats What Im Here For
Jason Castro

Hey All! This my first time transcribing a song. one of my all time favorite
artists!
melody. beautiful voice. fun to play as well:) Do take note that im a rookie so
please, if
are any mistakes below, by all means rectify it! Also, i think its kinda nice if
u were
play around with the chords! Enjoy

Jason Castro: Thats What Im Here For
Standard tuning/ Capo 3

INTRO
D G Bm A

D
Goodbye Los Angeles
G
You said with some regret
Bm
Ill do my best to find a way
G
To help you to forget

D
Im glad you made your way
G
Back here to find a better day
Bm
Seems like youre getting
Asus4   **A**
A little closer to OK

PRE-CHORUS

Em   **G**
And if you need someone just to be around
                        D
Help put the pieces back
A   **G**
That you finally found

CHORUS

D   **G**
Thats what Im here for
Bm   **A**

```
Thats what Im here for
D
When you need a little less
G
Or you want a little more
Bm          Asus4        G
Thats what Im here for
Bm          Asus4        G
Thats what Im here for

VERSE 2

D
I heard you saying that
G
Youre finally feelin free
Bm                                        G
Blowing kisses to the distant memories

D
Lately Ive caught you
G
Smiling a little more
Bm
Youre beautiful
Asus4                    A
And Im all yours

PRE-CHORUS

Em                                                    G
And if you need someone just to be around
                   Bm
Help put the pieces back
Asus4                    G
That you finally found

CHORUS

D                        G
Thats what Im here for
Bm                       A
Thats what Im here for
D
When you need a little less
G
Or you want a little more
Bm            Asus4                G
Thats what Im here for

Bm        Asus4
Thats why
F#m                                            G
```

```
                                                     I can hold you just as long as youll stay
F#m                                                  G
I can tell you what no one will ever say
F#m                                                  G
That its alright to admit that you were wrong
Em                          F#m                                      G
    A
Before you know it all the scars will be gone

D  G Bm A

CHORUS

D                       G
Thats what Im here for
Bm                      A
Thats what Im here for
D
When you need a little less
G
Or you want a little more
Bm
When you need someone to find you
Asus4                                       Em
When your hiding from it all
F#m         G              F#m         Em
Thats what Im here for
F#m         G              D
Thats what Im here for
G                   Bm
Thats what Im here for
A               D
Yeah...
```
