## Autotune Jason Chen

This song came out yesterday, after being teased for about 3 months. Jason Chen is

amazing! Both at songwriting and singing. Enjoy!

Capo 2

C

I was young, lost, stupid,

G Am I

Didn't know what I was doing wrong

C

Just eat, sleep, feeling free

G Am F

Then I'd party all night long

C

But I would never get too worried

Am F

 $\hat{a} \in \tilde{\ }$  Bout the little things in life

C G

I knew I'd won the lottery

Am E

Cause Baby can't you see

C

Just thinking about you as I sing this song

m

Cause when you're around I can do no wrong

And I m never too sharp, never flat, Girl imagine that

Am F C

You always know how to bring me right back

G Am

When my pitch is off, you make it alright

E C C A

When it's all so wrong, you're my auto tune

F C

You can be my auto tune

C G Am F

Now I found my way girl, ever since you came along

C G Am F As I listen to the radio, pumpin to my catchy song G You mean more than a Grammy and all the money in world  $% \left( 1\right) =\left( 1\right) +\left( 1\right) =\left( 1\right) +\left( 1\right) +\left( 1\right) =\left( 1\right) +\left( 1\right) +\left($ Every time that I drift off-key girl

You continue to save me
