

Autotune

Jason Chen

This song came out yesterday, after being teased for about 3 months. Jason Chen is amazing! Both at songwriting and singing. Enjoy!

Capo 2

Bb

I was young, lost, stupid,

F

Gm

Eb

Didn't know what I was doing wrong

Bb

Just eat, sleep, feeling free

F

Gm

Eb

Then I'd party all night long

Bb

F

But I would never get too worried

Gm

Eb

About the little things in life

Bb

F

I knew I'd won the lottery

Gm

Eb

Cause Baby can't you see

Bb

F

Just thinking about you as I sing this song

Gm

Eb

Cause when you're around I can do no wrong

Bb

F

And I'm never too sharp, never flat, Girl imagine that

Gm

Eb

Bb

You always know how to bring me right back

F

Gm

When my pitch is off, you make it alright

Eb

Bb F Gm

When it's all so wrong, you're my auto tune

Eb

Bb

You can be my auto tune

Bb

F

Gm

Eb

Now I found my way girl, ever since you came along

Bb **F** **Gm** **Eb**
As I listen to the radio, pumpin to my catchy song
Bb **F** **Gm** **Eb**
You mean more than a Grammy and all the money in world
Bb **F**
Every time that I drift off-key girl
Gm **Eb**
You continue to save me
