

**Gabe**

**Jason Collett**

Jason Collett - Gabe from the album: Motor Motel Love Songs

Watsup, the lyrics are likely off as I don t have the booklet, also on the B chord and sometimes the C# you can throw a hammer on and

pull-off with your pinky as you see fit, sounds good on the B.

Gabe,

**B** **F#**  
whatâ€™s your hurry to get laid?

**B** **G#m**  
Are you still worried that youâ€™ve got nothinâ€™ to say?

**E** **G#m** **C#**  
Me, I donâ€™t hesitate. Itâ€™s your day, and itâ€™s slippinâ€™ away.

**F#**

Gabe,

**B** **F#**  
Youâ€™ve got a funny way of sayinâ€™ what you mean.

**B** **G#m**  
Stand naked in the shadow of a dream.

**E**  
You can hide from yourself,

**G#m**  
But not from me.

**C#** **B**  
Oh Gabe, donâ€™t walk away,

**F#** **B**  
Cause you almost flew, and you almost fell,

**F#** **Ebm**  
When I look at you, I can almost tell,

**G#m** **E**  
Oh Gabe, you got a-way

**C#**  
You got a-way

**F#** **B** **F#**  
Gabe, you know Iâ€™m sorry to keep hurtinâ€™ you this way.

**B** **G#m**  
But youâ€™ve been lettinâ€™ me and that is sad,

**E** **G#m**  
So come a little closer, to me,

**C#**  
I come to see youâ€™ve changed,

**B**  
All over again.

**F#** **B**  
And I almost flew, and I almost fell,

**F#** **Ebm**  
When I look at you, I can almost tell,

**G#m** **E**  
Oh Gabe, you got a-way

**C#**  
You got a-way

Gabe, thereâ€™s a small dark look in your eyes.

**B** **G#m**  
An abandoned tear for a troubled goodbye.

**E**  
Whispers speak,

**G#m**

Tongue in cheek,

**C#**

Love too meek,

**B**

Godspeed.

**F#**

As we almost flew, and we almost fell.
