Papercut Hearts  
by Jason Collett  
tabbed by Dan Winchester

**A** **C#m Cm Bm**  
papercut hearts

**E**  
leave no scars

**A** **C#m Cm Bm**  
bullet-point teardrops

**E**  
like inky dead stars

**D** **E** **A** **D**  
the stab of love, when it comes you ll come undone

**A** **E** **D**  
like all of the reckless ones.

**A** **C#m Cm Bm**  
the pull of the moon

**E**  
the shift of the sea

**A** **C#m Cm Bm**  
the feral wolves

**E**  
inside of me

**D** **E** **A** **D**  
the stab of love is something to hold onto

**A** **E** **D**  
a little flame of a little pain to keep you warm

**F#m** **D** **F#m** **D** **A D** **A D** **A D**  
imagnations, imaginations running wild, running wild, running wild

**A** **C#m Cm Bm**  
papercut hearts

**E**  
in these smokeless bars

**A** **C#m Cm Bm**  
pathetic blues,

**E**  
is it just old world news

**D** **E** **A** **D**  
the stab of love, when it comes you ll come undone

**A** **E** **D** **D**  
like all of us reckless ones. ones.
