CALLING MY ANGEL

chords: C#m B A trough the whole song like that:

I#m B

Found myself in a dark room all day (All day, all day, all day)

Hoping the silence

Would take this pain away

(Away, away

C#m

Cos no one else is here

В

To wipe my tears

Α

When they fall (oh no)

C#m

And no one hears me screaming,

Α

But these four walls

C#m

So I m calling out your name

в

Hoping you d hear me (hear me)

Α

Got both hands on my heart

Hoping you d feel me (feel me)

C#m B

Cos baby I feel you when I close my eyes

A C#m

Calling out for you, I can t sleep at night

C#m B A

Can someone help me find my angel
Cos every breath I take without, is painful
Please someone, help me find my angel

Cos I know she s hear me calling

C#m B A

Hear me calling, calling, calling for my angel Calling for my angel, I m calling for my angel Wherever I ll be,

C#m B

Calling, calling, calling for my angel
Calling for my angel, I m calling for my angel

Now, who s gonna pick me up

Now that I fell right down (down)

You left with a part of me

It s getting so hard to breathe (Breathe, breathe)
Breathe,
Try to take the pain away with this pen
But I just keep writing your name over again
No one can take your place (no)
Life without you is impossible

The air is thinning,

So I m calling out your name
Hoping you d hear me (hear me)
Got both hands on my heart
Hoping you d feel me (feel me)
Cos baby I feel you when I close my eyes
Calling out for you, cos I need you in my life

Can someone help me find my angel
Cos every breath I take without, is painful
Please someone, help me find my angel
Cos I know she s hear me calling
Hear me calling, calling, calling for my angel
Calling for my angel, I m calling for my angel
Wherever I ll be,
Calling, calling, calling for my angel
Calling for my angel, I m calling for my angel

Yeah hmmm

Just put your hands in the air

If you re missing somebody

Come home

Cos I can t handle this alone

Can someone help me find my angel
Cos every breath I take without, is painful
(Baby, baby come home)
Please someone, help me find my angel
(I know you hear me)
Cos I know she s hear me calling (ooh)
Hear me calling, calling, calling for my angel
Calling for my angel, I m calling for my angel
Got me singing oooh,
Calling, calling, calling for my angel
Calling for my angel, I m calling for my angel
