Can someone help me find my angel Cos every breath I take without, is painful Please someone, help me find my angel

Cos I know she s hear me calling

Cm Bb G#

Hear me calling, calling, calling for my angel Calling for my angel, I m calling for my angel Wherever I ll be,

Cm Bb G#

Calling, calling, calling for my angel
Calling for my angel, I m calling for my angel

Now, who s gonna pick me up

Now that I fell right down (down)

You left with a part of me

It s getting so hard to breathe (Breathe, breathe)
Breathe,
Try to take the pain away with this pen
But I just keep writing your name over again
No one can take your place (no)
Life without you is impossible

The air is thinning,

So I m calling out your name
Hoping you d hear me (hear me)
Got both hands on my heart
Hoping you d feel me (feel me)
Cos baby I feel you when I close my eyes
Calling out for you, cos I need you in my life

Can someone help me find my angel
Cos every breath I take without, is painful
Please someone, help me find my angel
Cos I know she s hear me calling
Hear me calling, calling, calling for my angel
Calling for my angel, I m calling for my angel
Wherever I ll be,
Calling, calling, calling for my angel
Calling for my angel, I m calling for my angel

Yeah hmmm

Just put your hands in the air

If you re missing somebody

Come home

Cos I can t handle this alone

Can someone help me find my angel
Cos every breath I take without, is painful
(Baby, baby come home)
Please someone, help me find my angel
(I know you hear me)
Cos I know she s hear me calling (ooh)
Hear me calling, calling, calling for my angel
Calling for my angel, I m calling for my angel
Got me singing oooh,
Calling, calling, calling for my angel
Calling for my angel, I m calling for my angel
