

Want To Want Me
Jason Derulo

C

It s too hard to sleep

I got the sheets on the floor

Am

Nothing on me

And I can t take it no more

C

it s a hundred degrees

I got one foot out the door

Am

Where are my keys?

Cause I gotta leave, yeah

C

In the back of the cab

I tip the driver, head of time

Am

Get me there fast

I got your body on my mind

C

I want it bad

Am

Ooh, just the thought of you gets me so high, so high

C

Girl, you re the one

Am

I want you to want me

F

And if you want, hey girl, you got me

Am

There s nothing I know I wouldn t do, I wouldn t do

Just to get up next you

C

Girl, you re the one

Am

I want you to want me

F

And if you want, hey girl, you got me

Am

There s nothing I know I wouldn t do, I wouldn t do

C

Just to get up next you

Am

Just to get up next you

C

You open the door

Am

Wearing nothing but a smile down to the floor

C

And you whisper in my ear, baby I m yours

Am

Ooh, just the thought of you gets me so high, so high

C

Girl, you re the one

Am

I want you to want me

F

And if you want, girl, you got me
