

**White Boy With The Feather**  
**Jason Downs**

Oh yeah  
See that hurt  
He got a feather in his hair  
Yo follow that kid, follow him

INTRO:        **D        A        G        A**

VERSE 1

**Em Bm Em Bm**  
Got off the greyhound at the port in New York City  
**Em Bm        A**  
Looking for a break and some fame and fortune  
La de da  
**Em        Bm Em Bm**  
My father said boy its dangerous out there  
**Em Bm**  
You better use a jimmy hat  
**A**  
And don t forget your combat boots, boy

Repeat intro: **D    A    G    A**

Who s the white boy over there?  
With the feather in his hair  
I m gonna beat him and rob him  
I swear  
He must be new cuz he ain t from here  
Gonna bust him down  
With a left to the ear

VERSE 2

Got knocked on the floor  
After they took my lucky jacket  
But you can t have my guitar so  
I swung my case and kicked em in the face  
I had my lights knocked out in New York City  
But when I came to I saw a beautiful woman starin down at me  
And so I just had to say

CHORUS

**D        A**  
Oh, what a beautiful day.  
**G        A**  
He s a white boy with a feather  
**D        A**  
I really love this day

G            A

He s a white boy with a feather

D            A

I wouldnt rather be anywhere

G            A

Where I am, Oooo

VERSE 3

Back in her crib, we played strip poker

I was losing big,

Down to nothing but my boots and

My feather in my hair when she

Took off her wig

And said you been had, I m a man

This is my gun

Give me your money, and run

PLAY INTRO

Ah, who s the white boy over there?

With the feather in his hair

And no under wear

He must be smokin or jokin I swear

Trippin on sometin

Butt naked runnin through Times Square

VERSE 4

So I grab my guitar and I fly down 42nd street

And I stopped in Times Square

And played my song, here s a little ditty for NY City

No one seemed to notice

Only made a few pennies

Was about to move on

When I saw a couple of guys comin for me

Saying something like white boy

-----  
then just improvise he starts singin and arsing about  
after that and im not gonna try and type that! ok i tabbed  
this because sumone asked for the words but ive also put in  
some different chords hope its ok.. email me at [tuttincoro@btinternet.com](mailto:tuttincoro@btinternet.com)  
just to let me know i didnt waste my time!
