G **F**
Last night I heard the sirens song
C **G**
and I followed it in the ditch.

G **F**
Oh baby, I m just carrying on.
C **G**
Far be it for me to bitch.

G **F**
Last night I heard the distant hum
C **G**
of another damn hurricane.

G **F**
Oh Sunnie tell me where you ve gone.
C **G**
Are you still dancing to Purple Rain?

F **C** **G**
You took my little hand
F **C** **G**
and took me to your room.
F **C** **G**
You taught me how to want something
F **C** **D**
so I learned how to move.

G **F** **C** **G**
Oh-oh, oh-oh, you made me feel so grown.
G **F** **C** **G**
Oh-oh, oh-oh, you made me feel so grown.

G **F**
Last year I heard your momma had
C **G**
a little trouble with the thin blue line.
G **F**
You always knew that you could understand
C **G**
and not undermine.

F **C** **G**
You took me to your room.
F **C** **G**
I let my eyes adjust.
F **C** **G**

You taught me how to want something

F C D

and I learned how to lust.

G F C G
Oh-oh, oh-oh, you made me feel so grown.

G F C G
Oh-oh, oh-oh, you made me feel so grown.

F C G
All them years ago

F C G
you took a nervous little kid

F C G F
and taught me how to slow it down just a little bit

G F C G
Oh-oh, oh-oh, you made me feel so grown.

G F C G
Oh-oh, oh-oh, you made me feel so grown.
