**Jason Isbell**

Stockholm  
Jason Isbell  
Capo: 2nd fret

[Intro]

**G Gb/G Em D C**

[Verse]

**G C G C G Gb/G**  
Iâ€™ve heard love songs, make a Georgia man cry  
**Em D C**  
On the shoulder of somebodyâ€™s Saturday night  
**G C G C G Gb/G**  
Read the good book, studied it too  
**Em D C**  
But nothing prepared me for livinâ€™ with you

[Chorus]

**D Em C G**  
Lock me up tight in these shackles I wear  
**Em D C G**  
Tied up the keys in the folds of your hair  
**Em D C**  
And the difference with me is I used to not care  
**G C G**  
Stockholm let me go home

[Verse]

**G C G C G Gb/G**  
Once a wise man to the ways of the world  
**Em D C**  
Now Iâ€™ve traded those lessons for faith in a girl  
**G C G C G Gb/G**  
Cross the ocean, thousand years from my home  
**Em D C**  
In this frozen old city of silver and stone

[Chorus]

**D Em C G**  
Ships in the harbor and birds on the bluff  
**Em D C G**  
Donâ€™t move an inch when their anchor goes up  
**Em D C**  
And the difference in me is Iâ€™m falling in love  
**G C**  
Stockholm let me go home  
**G C G**

Let me go home

[Verse]

**Am**          **C**                          **G**                          **D**  
And the night so long I used to pray for the daylight to come  
**Am**                  **C**                          **G**  **D**  
Folks back home surely have called off the search and gone back to their own

[Bridge]

**G** **Gb/G** **Em** **D** **G** **Gb/G** **Em** **D** **G** **Gb/G**

[Chorus]

**D**                  **Em**                  **C**                  **G**  
Ships in the harbor and birds on the bluff  
**Em**                  **D**                  **C**                  **G**  
Donâ€™t move an inch when their anchor goes up  
**Em**                                  **D**          **C**  
And the difference in me is Iâ€™m falling in love  
                                  **G**      **C**  
Stockholm let me go home  
          **G**          **C**      **G**  
Let me go home  
                  **G** **Gb/G** **Em** **D** **C** **G**  
Let me go homeâ€¦.
