**Bm G A D**  
 I was 16, drivin my old mans car  
**Bm G A**  
 the light was red but I ran right through  
**Bm G A D**  
 and I killed a mailbox and some flowers in a yard  
**G A D**  
 cause I was lookin at you

**Bm G A D**  
 I was sittin in the stands it was the bottom of the ninth  
**Bm G A**  
 the score was tied 2 to 2  
**Bm G A D**  
 when a foul ball hit me right between the eyes  
**G A D**  
 cause I was lookin at you

CHORUS

**G A D**  
 Well some people like starin at the sunset  
**G A D**  
 and some prefer a tropical view  
**Bm F#7 G D**  
 and some like gazin at the stars and the moon  
**G A D**  
 but I like lookin at you (woo hoo)

and I might have missed a chance or two  
**Em**                    **G**                    **A**                    **D**  
but you won't find any regret in my eyes  
**G**                    **A**                    **D**  
cause I'm still lookin at you

CHORUS

**Em**                    **D**  
Baby, in my heart I know
