**Stray**
**Jason Michael Carroll**

Capo 2
Listen to the song for the timing.

Intro: **Am  F  C  G** x2

Verse 1
**Am** **F**
Last night I saw you standing
**Am** **F**
By the window in our room
**C** **G**
You had your hair down on your shoulders
**F**
And the moonlight kissing you

Verse 2
**Am** **F**
I could hold your perfect body
**Am** **F**
I just couldnâ€™t reach your heart
**C** **G**
And that fire that burned between us
**F**
Slowly faded in the dark

Chorus:
**Am** **F**
Youâ€™re gonna stray
**C** **G**
And leave me standing alone
**Am** **F**
Youâ€™re gonna stray
**C** **G**
Baby youâ€™re loves already gone
**Am**
You donâ€™t wanna be here
**F**
Itâ€™s perfectly clear
**C** **G**
And you think youâ€™ve got it hidden away
**Am** **F** **C** **G**
I know youâ€™re gonna stray
**Am** **F** **C** **G**
Youâ€™re gonna stray

Verse 3

```
Am                              F
I donâ€™t know when itâ€™s gonna happen
Am                              F
But I can tell itâ€™s close at hand
          C                G
Thereâ€™s a change on your horizon
                           F
And that hourglass is running out of sand
F
And Iâ€™m no longer in your plans

Chorus:
                Am              F
Youâ€™re gonna stray
    C                G
And leave me standing alone
                Am              F
Youâ€™re gonna stray
             C              G
Baby youâ€™re loves already gone
          Am
You donâ€™t wanna be here
      F
Itâ€™s perfectly clear
        C                        G
And you think youâ€™ve got it hidden away
                      Am    F   C   G
I know youâ€™re gonna stray
             Am    F   C   G
Youâ€™re gonna stray

Bridge:
Am
Away from me and take with you
F
Everything I thought was true
    C                        G
And every ounce of love I held onto

Chorus:
                Am              F
Youâ€™re gonna stray
    C                G
And leave me standing alone
                Am              F
Youâ€™re gonna stray
             C              G
Baby youâ€™re loves already gone
          Am
You donâ€™t wanna be here
      F
```

It's perfectly clear
        C                              G
And you think you've got it hidden away
                Am    F    C    G
I know you're gonna stray
            Am    F    C    G
You're gonna stray
            Am    F    C    G
You're gonna stray

Am F C  G ……..until the end
