What if these plans are collapsible

why don t we try to be responsible

C#m B A

for the other motherfuckers that were searching for the end of the rainbow

E5

ask me about the impossible

I ll tell you that everything is applaudable

C#m B A

for life is a proscenium stage and we are the stars

C#m B A

and the audience that we captivate is already ours

C G

and we re more aren t we

D A E5

yes we re more aren t we all we are

D A

so collapse all your plans

C G

like a map in your hands

D A E5

cause it won t take long to burn the motherfucker down

E5

many disaster unnatural

we have the ability it s remarkable

C#m B A

to cycle through the seasons adapting to the reason the waters low

C#m B A

if we listen to the sign of the times when she calls we ll know

C G

and we re more aren t we

D A E5

yes we re more aren t we all we are

D A

so collapse all your plans

C G

like a map in your hands

D A E5

cause it won t take long to burn the motherfucker down

D A

so goodbye to your plans

C G

and hello to a land

D A E5

where it won t take long to burn the motherfucker down

C G

move your feet when you pray child

B E5

are you ready to change the way that you ve been living your life up til now

C G

the danger is more than a rain cloud

B

will you adhere to the new solution to use less the useless uses of pollution

hell yes

( E5 C#m B A )

so collapse all your plans

like a map in your hands

cause it won t be hard to spot the motherfucker down

say goodbye to your plans

and hello to a land

where it won t take long to burn the motherfucker down

say goodbye to your family

and hello to understanding  
that it won t take long to burn this mother down  
so collapse all your plans  
and relax if you can  
cause it won t take long to burn this motherfucker down  
no it won t take long to burn this mother down  
no it won t take long to burn this mother down  
no it won t take long to burn this mother down  
no it won t take long to burn this mother down  
oh to burn her to the ground  
no it won t take long to burn this mother down  
no it won t take long to burn this mother down  
no it won t take long to burn this mother down  
no it won t take long to burn this mother down  
no it won t take long to burn this mother down  
no it won t take long to burn this mother down  
no it won t take long to burn this mother down  
it won t take long to burn this mother down
