

**I Melt With You**  
**Jason Mraz**

I MELT WITH YOU  
Jason Mraz

Intro: **C-F-C-F**  
(CP: **C - F**)

Moving forward, using all my breath  
Making love to you was never second best  
I saw the world rushing all around your face  
Never really knowing it was always mesh and lace

\*I ll stop the world and melt with you  
You ve seen the difference and it s getting better all the time  
There s nothing you and I won t do  
I ll stop the world and melt with you

Dream of better lives  
The kind which never hate  
Wrapped in a state of imaginary grace  
I made a pilgrimage to save this human race  
Never comprehending the race had long gone by

**\*\*Em Am**  
The future is open wide  
**C F C F**  
Hmm, hmm, hmm, hmmm
