

I Never Knew You (Ive Never Known You)

Jason Mraz

E5 B5 C5
Tell me a secret, tell me anything
E5 B5 C5
What s your weapon? What s your middle name?
E5 B5 C5
What do you believe in? What s your animal?
E5 B5 C5
Are you a cat or a dog person?
E5 B5 C5
What s your outlook? What s your favourite saying?
E5 B5 C5
Hey, maybe you laugh, maybe you laugh a lot
E5 B5 C5
Maybe you started, but you somehow quit the part mm
E5 B5 C5
And you may be a hippie and a democrat
E5 B5 C5
Yeah I remember that, I think
E5 B5 C5
And you might like wine, but you re not the type who likes to drink
E5 B5 C5
Why make me, forget everything I know?
E5 B5 C5
All my beliefs, replaced by scenarios
G F E E/G#
Of unintelligent life, echoing in stereo
Am Am/G D/F# Em
On invisible mics, winding to my mind
Bm C
So I would like another look inside you
Bm C
So I would like another look inside you
E5 B5 C5
Yeah I would love the chance to love you, like I ve never known you
Yeah, maybe you re sleeping on a telephone.
E5 B5 C5
And maybe you re dreaming of an anglophone with a crooked smile
E5 B5 C5
And maybe your profile, posts a brand new nose
E5 B5 C5
And maybe your new job, it requires that you cannot wear any clothes
E5 B5 C5
Why make me, forget everything I know?
E5 B5 C5
All my beliefs, replaced by scenarios
G F E E/G#
Of unintelligent life, echoing in stereo

Am Am D/F# Em
On invisible mics, winding to my mind
Em Bm C
So I would like another look inside you
Em Bm C Em Bm
Yeah I would love the chance to love you, like I've never known you

(C)

Em Bm C
Maybe your favourite colour is brown
Em Bm C
And maybe your crying and you're not sure why
Em Bm C
Maybe you're living in a whole new town
Em Bm C
And maybe you're back with your old boyfriend and you're busy going down.
Em Bm C
Why make me, forget everything

Em Bm C
All my beliefs, are my memories
G F E Am
All the episodes of you, especially the ones that hurt
Am/G D/F#
And the few that made me laugh

Em
Well I can't get them back
Bm C
That's why I'm asking for some more of you now
Em Bm C
Yes I would love the chance to love you

And I would love to love you!
E5 B5 C5
Why make me, forget everything I know?
E5 B5 C5
All my beliefs, replaced by scenarios
G F E E/G#
Of unintelligent life, echoing in stereo

Am Am/G D/F#
On invisible mics, winding to my mind
Em Bm Em
So I would like another look inside you
Em Bm Em
Yeah I would love the chance to love you, like I've never known you
Em Bm Em
I would, I would, I would love to look inside of you
