

If It Kills Me
Jason Mraz

D E
Hello, tell me you know

Em
Yeah, you figured me out

D E Em
Something gave it away

D E
And it would be such a beautiful moment
Em

To see the look on your face

D E Em
To know that I know that you know now

Em D#° Em D#°
And baby that s a case of my wishful thin__king

A
You know nothing

D
Cause you and I
E Em
Why, we go carrying on for hours, on and

D E
We get along much better
Em

Than you and your boyfriend

D F#m
Well all I really wanna do is love you

Bm
A kind much closer than friends use

G Gm
But I still can t say it after all we ve been through

D F#m
And all I really want from you is to feel me

Bm
As the feeling inside keeps building

G
And I will find a way to you if it kills me

Gm
If it kills me

(D Gm Am A# C)

D E
How long, can I go on like this
Em

Wishing to kiss you

D **E** **Em**

Before I brightly explode?

D **E**

This double life I lead isn't healthy for me

Em

In fact it makes me nervous

D **E** **Em**

If I get caught I could be risking it all

Em **D#°**

Baby there's a lot that I miss
