F#m

It takes a night to make it dawn

Bm

And it takes a day to make you yawn brother

D

It takes some old to make you young

Dm

It takes some cold to know the sun

A

E

It takes the one to have the other

F#m

And it takes no time to fall in love

Bm

But it takes you years to know what love is

D

And it takes some fears to make you trust

Dm

It takes those tears to make it rust

A

E

It takes the dust to have it polished
