Jason Mraz

[Intro] **Am7** **G/B** **C**

**C**

Every time I go home

**F**

**C**

There s another cell phone tower

**Am**

**Em**

Construction getting louder

**F**

**C**

Paving over yesterday

**C** **C/G** **C**

**F**

**C**

You and I, we will try to find the side of it that s pretty

**Am**

**Em**

While our town becomes a city

**F**

**C**

We won t let it be erased

**Am7**

**C**

Empires rise, empires fall

**Am7**

**G/B**

**C**

Will you be my constant through it all?

[Refrão]

**F**

**C**

I will hold your hand

**Am**

**G**

**F**

**C**

And watch the world spin madly round this life we re in

**Am**

**G**

**F**

**C**

Oh, yeah, everything goes quiet when it s you I m with

**Am**

**G**

**F**

**F**

Oh, yeah, everything goes quiet when it s you I m with

(You, you, you, you)

( **Am7** **G/B** **C** )

**C**

Every once in a while

**F**

**C**

You know I get these real bad headaches

**Am**

**Em**

**F**

**C**

Worried about the mistakes that I ve made along the way

**C**

**F**

You and I, we can t hide from the fact

**C**

That we need each other

**Am**

**Em**

**F**

**C**

How else will I recover when the fever comes again

**Am7** **C**  
Temperatures rise, temperatures fall  
**Am7** **C/B** **C**  
Will you be my constant through it all?

[Refrão]

**F** **C**  
I will hold your hand  
**Am** **G** **F** **C**  
And watch the world spin madly round this life we re in  
**Am** **G** **F** **C**  
Oh, yeah, everything goes quiet when it s you I m with  
**Am** **G** **F** **F**  
Oh, yeah, everything goes quiet when it s you I m with  
(You, you, you, you)

( **Am7** **G/B** **C** )  
( **Am7** **G/B** **C** )

**F** **C** **Em** **F**  
And there are no words, no words  
**Am7** **G/B** **C**  
When I m with you, you, you

**C**  
Every time I hear music  
**F** **C**  
They ve added more stuff to it  
**Am** **Em**  
Things are always moving  
**F** **C**  
Into some futuristic place  
**C**  
Well, you and I, we will try  
**F** **C**  
We can try to dance into tomorrow  
**Am** **Em** **F** **C**  
But time we ll have to borrow, not a minute left to waste  
**Am7** **C**  
Heartbeats rise, heartbeats fall  
**Am7** **G/B** **C**  
Will you be my constant through it all?

[Refrão]

**F** **C**  
I will hold your hand  
**Am** **G** **F** **C**  
And watch the world spin madly round this life we re in  
**Am** **G** **F** **C**  
Oh, yeah, everything goes quiet when it s you I m with  
**Am** **G** **F** **C**

Oh, yeah, everything goes quiet when it s you I m with

**Am**                      **G**                      **F**                      **C**

Everything goes quiet when it s you I m with

**Am**                      **G**                      **F**                      **C**

Everything goes quiet when it s you I m with
