Intro/Chorus-

Intro/Chorus lyrics with chords: Well sometimes the sun shines on other peoples houses and not mine, And the clouds paint the sky in a way that takes away my summertime, And somehow the sun keeps shining upon you while I struggle to get by, If there's a light in everybody send out your ray of sunshine.

Verse 1-

Verse 1 lyrics with chords: I wanna walk the same roads as everybody else through the trees and past the gates. I'm getting high on heavenly breezes and making new friends along the way.

**G** **Am** **B/C**  
I won't ask much of nobody, I'm just here to sing-a-long,

**C**  
And make my mistakes look gracious

**C** **D** **G**  
and learn some lessons from my wrongs.

Chorus-

**G** **Cadd9**  
But sometimes the sun shines on other peoples houses and not mine,

**G** **D**  
While the clouds paint the sky all gray it takes away the summertime,

**G** **Cadd9**  
Somehow the sun keeps shining upon you, while I struggle to get by,

**G** **D** **C** **D** **G** **C** **D** **G**  
If there's a light in everybody send out your ray of sunshine.

Bridge-

**Em** **G**  
Ohh if this little light of mine combined with yours today.

**C** **G** **D**  
How many watts could we luminate? How many villages could we save?

**Em** **G**  
If my umbrella is tired of the weather wearing me down,

**C** **Cm**  
Well look at me now.

**G** **C** **B/C** **Am** **C** **D** **G**

Verse 2-

To soak up your light your beautiful light

**C** **D** **G**

you got a paradise inside.

**G**

I get hungry for love and thirsty for life,
