Shine
Jason Mraz

Intro:
(Parte 1)
Bbm A Bb C D
(Parte 2)
D C Bm (Bb C)

1ª Parte:
D
Once upon a time there was a meeting of minds
       C
The sun and the moon made a deal with the sky
Bm
One would take the morning and the other the night
Bb   **C**
Together they would blanket the world with light
          D
But the moon had a shadow, he felt like a liar
        C
The sun was the only one who carried the fire
       Bm
The sun saw this, she kept on glowing
(**Bb**   **C**)
Bowing to the moon, never saying, you owe me

Refrão:
                  D
She said I ll shine on you (shine on you)
         C
I will shine on you (shine on you)
          Bm
I will shine on you (shine on you)
          (**Bb**   **C**)
I will shine on you

D C Bm (Bb C)

2ª Parte:
        D
I keep lantern for you, glowing in my heart
               C
To keep from tripping over troublesome thoughts in the dark
                Bm
We ain t that different, we huddle underneath the same stars
(**Bb**   **C**)
--- I see who you really are
              D

```
You re every creature, every man, every woman and child
                C
You re the closest thing I ll ever get to knowing God
        Bm
Like the sun to the moon, I ll send my love and light
 (Bb                                        C)
A love like ours, it ll fill the whole sky

Refrão:
       D
I will shine on you (shine on you)
       C
I will shine on you (shine on you)
       Bm
I will shine on you (shine on you)
        (Bb             C)
I will shine on you
       D
I will shine on you (shine on you)
       C
I will shine on you (shine on you)
        Bm
I will shine on you (shine on you)
       Bb                   C    D
I will shine, shine, shine on you

D   D   D

Variação:
(G                                              A)
Think of the people that you love the most
(Bb                                    C)
Send them your light and hold them close
          D                   C
They will shine on you, I will shine on you
(G                                              A)
No matter the distance, the space, or the time
(Bb                              C)
Love travels in the speed of light
        D                   C
I will shine on you, I will shine on you
       Bm                   Bb
I will shine on you, I will shine on you

3ª Parte:
     D
And if you forget we are the chosen ones
          C
Turn your eyes to the attention of the morning sun
Bm
Wherever you go, however you move
    (Bb                             C)
The light is gonna shine directly to you
```

```
Refrão:
        D
Let it shine on you (shine on you)
        C
Let it shine on you (shine on you)
        Bm
Let it shine on you (shine on you)
           (Bb                C)
Yes I m gonna shine on you
        D
I will shine on you (shine on you)
        C
I will shine on you (shine on you)
        Bm
I will shine on you (shine on you)
        Bb                C   D
I will shine, shine, shine on you

Final:
D   D   D
D   C   Bm   Bb
```
