

**Sunshine Song**

**Jason Mraz**

(chorus)

**G**

Well, sometimes the sun shines on

**Cadd9**

Other people s houses and not mine

**G**

Some days the clouds paint the sky all gray

**D**

And it takes away my summertime

**G**

Somehow the sun keeps shining upon you

**Cadd9**

While i struggle to get mine

**G**

**D**

If there s a light in everybody

**C**

**D**

**G**

**C**

**D**

**G**

Send out your ray of sunshine

(verse)

**G**

I wanna walk the same roads as everybody else

**Am**

Through the trees and past the gates

**C**

Getting high on heavenly breezes

**C**

**D**

**G**

Making new friends along the way

**G**

I won t ask much of nobody

**Am**

I m just here to sing along

**C**And make my mistakes look gracious

**C**

**D**

**G**

And learn some lessons from my wrongs

(chorus)

But sometimes the sun shines on

Other people s houses and not mine

Some days the clouds paint the sky all gray

And it takes away my summertime

Somehow the sun keeps shining upon you

While i struggle to get mine

A little light never hurt nobody

Send out your ray of sunshine

(bridge)

**Em**

Oh, if this little light of mine

**G**

Combined with yours today

**C**

How many watts could we luminate?

**G**

**D**

How many villages could we save?

**Em**

My umbrella s tired of the weather

**G**

Wearing me down

**C**

**Cm**

Well look at me now

(interlude) **G Cadd9 Am C D G**

(verse)

Well, you should look as good as your outlook

Would you mind if i took some time?

To soak up your light, your beautiful light

You ve got a paradise inside

I get hungry for love and thirsty for life

And much to full on the pain

When i look to the sky to help me

And sometimes it looks like rain

(chorus)

As the sun shines on

Other people s houses and not mine

And the sky paints the clouds in a way

That it takes away the summertime

Somehow the sun keeps shining upon you

While i kindly stand by

If there s a light in everybody

Send out your ray of sunshine

(outro)

**G**

You re undeniably warm, you re cerulean

**Am**

**C**

You re perfect in design

Won t you hang around?

**G**

**Cadd9**

So the sun, it can shine on me

**G**

**D**

And the clouds, they can roll away

**G**

**Cadd9**

And the sky can become our possibility

**G**

**D**

If there s a light in everybody

**C D G**

Send out your ray of sunshine
