learning to fly

D#
through the darkest space
A#
well i try to catch up to the
D#

catchphrased human race

A#

i say let the games begin

D#

underways

A#

said in conditions that we play in

G#

G

oh, maybe these things are better this way

oh may the games begin today

oh well, oh well

:and it repeats, basically:

cause i m just above

in the ailing aggravation of love

and i raise to optimistical fortune

toasting it twice

and i m sitting high on an anytime, anyday night

and i laugh to think of crying my eyes out

well isn t it nice

through the darkest space

well i try to catch up to the

catchphrased human race

i say let the games begin

underway

say in conditions that we play in

oh maybe these things, maybe these things

may the games begin

in open space

oh lord

well i finally catch up to the

catchphrased human race

i say, honey, let the games begin

underway, underway said in conditions that we play

oh maybe these things

maybe these things

maybe these, maybe these things should begin today

boy, oh lord

this whole damn world is your toy, lord

don t you want some, love love love, love

don t you want some, some some

always stay the same

but don t you want your love

to never be the same as the last day

don t you want...
