

The Longest Day Of The Year

Jason Mraz

I didn't have time to figure out the solo part. It's 100% correct and based on this YouTube-video: <http://www.youtube.com/watch?v=IT6wVwKbpXs>

Tabs can be found at the bottom.

Capo III

[verse]

I couldn't sleep last night
I laid awake and wished you were here
I wished that I had more time to make more mistakes
I'd make them louder and clearer

[chorus]

I couldn't sleep last night
It wasn't for my lack of trying
I just couldn't sleep last night____

Not a light was on
While I held this song in mind of you
And what you do, what you do to me

[verse]

I even followed the rules
I closed my eyes I didn't move
If I was only stronger I wish that I was stronger here
Referring to my heartsong dear
Cause this day will be the longest of the year

[chorus]
