

You And I Both
Jason Mraz

Song: You and I Both
Artist: Jason Mraz

This is the version off the album. Best to play it with bar chords.
The Gmaj7 isn't exactly right, but the tab at the beginning is, so just play that
chord the whole time for it. Enjoy!

[Verses]

G **Gmaj7** [3 5 4 4 3 3]
Was it you who spoke the words that things would happen but not to me
Em
Oh things are gonna happen naturally
Am
Oh taking your advice and I'm looking on the bright side
C **D**
And balancing the whole thing
G **Gmaj7**
Oh but often times those words they get tangled up in lines
Em
And the bright light turns to night
Am
Oh until the dawn it brings another day to sing
C **D**
About the magic that was you and me

G **Gmaj7**
Cause you and I both loved
Em
What you and I spoke of
Am
And others just read of
C **D**
Others only read of the love
G **Gmaj7**
Of the love that I love
Em
yeah la-be-de-dum

G
See I'm all about them words
Gmaj7 **Em**
Over numbers, unencumbered numbered words
Am

Hundreds of pages, pages, pages forwards

More words than I had ever heard and I feel so alive

Cause you and I both loved

What you and I spoke of

And others just read of

And if you could see me now oh love love

You and I you and I

Not so little you and I anymore

And with this silence brings a moral story
more importantly evolving is the glory of a boy

Cause you and I both loved

What you and I spoke of

And others just read of

And if you could see me now

Well then I m almost finally out of

Finally ou-ou-out of final-la-de-de-da-de

Well I m almost finally finally well I am free oh I m free

and it s okay if you had to go away

oh just remember the telephones well they workin em

both ways

But if I never ever hear them ring

if nothing else I ll think the bells inside

have finally found you someone else and that s o-o-okay

cause I ll remember everything you sang

Cause you and I both loved

Em

What you and I spoke of

Am

And others just read of

C

And if you could see me now
