F **C** **Dm7**
Our friends on the front porch telling jokes and they swing
A#
Swiftly towards happier times
F **C** **Dm7**
Expending lines and finding more energy for the effort and
A#
Getting distance from that front porch spotlight
F **C** **Dm7** **A#**
But us we found peace in shadows long enough to see the monsters rise
F **C** **Dm7**
Candy s got some space to fill in her daydreams living high on
A#
Yesterday s lie
F **C** **Dm7**
Talking to me about some 0% interest and how she got a better
A#
Deal than the next guy

Dm **Dm7M** **Dm7** **Dm6**
And the way the lightning shocked us when we were lost and
Dm **Dm7M** **Dm7**
Looking down that long missouri highway your hair was longer
Dm6 **Bb7**
Then and now i remember

F **C** **Dm7**
Oh the roads unencumbered by cats they re burning like wet
A#
Matches thru my miracle mile mind
F **C** **Dm7**
You left your thumbprint inside me now for months it seems but
A#
Mine only brushes your soft surface
F **C** **Dm7** **A#**
And somehow it leaves me listless, my tongue curls under my lips

Oh yes
F **C** **Dm7** **A#**
So i cant speak to tell you of the months before i met you

Dm **Dm7M** **Dm7** **Dm6** **Dm** **Dm7M**
And the way the truth it locked us right about the time after
Dm7 **Dm6**
The lightning shocked us
Dm **Dm7M** **Dm7** **Dm6**
When we were young and missing

A#

And just so long.

F **C** **Dm7**
Long enough, just as long, just so long as its long enough is it

A#
Long enough?

F **C** **Dm7** **A#**
Is it long enough for me? long enough for me to chew on.

F **C** **Dm7** **A#**
If it isn't.. if it is t .. if it is t .. if it ain't if it don't if it can't

Then it wont.
