VERSE:

E7 | Cadd9 | G | D | E7 | Cadd9 | G | D

A lonely yellow light gets swallowed by the morning in New Hampshire
And casts a shadow on the pavement where we used to walk together, yeah, yeah.
Put in a small town made of hills and trees and streams
All you ve got to believe -- it is what you dream.

Cadd9 | E7 | D | D...(mute)

I know she will make it, somehow....

CHORUS:

D(mute) | E7 | Cadd9 | G

Cause she is from New Hampshire, yeah
She said she wants to see it all
Putting on her make-up
She s making her last telephone call
She says she s leaving me now

My eyes are are following the lines that lead away from ole New Hampshire, yeah
Cuz she s gone out of view and taken with her clarity and laughter...
Put in a big town made of hard and scary things,
All you ve got to believe -- and it is what you dream.
I know she will make it, somehow...

(Chorus)

Cause she is from New Hampshire, yeah
She said she wants to see it all
Putting on her make-up
She s making her last telephone call
She says she s leaving..

BRIDGE:

Cadd9 | E7

Why is growing up so bad for love?

G | D | Cadd9 | E7

It only takes us further from what means the most to me

G | D... (mute)

The most in us has gone away...

OUTRO:

D | E7 | Cadd9 | G (chord progression thru close...)

But she is from New Hampshire

She said she wants to see it all

Putting on her make-up

She s making her last telephone call

She says she s leaving me now

She says she s leaving me now

She says she s leaving me now

New Hampshire

New Hampshire...
