

**No Lies Ft Colbie Caillat
Jason Reeves**

Playing around. Add a capo if you can sing in a higher key LOL. First tab. Feel free to correct me :)

No Capo

Intro : **F#m D A E**

Verse:

F#m D A E
I understand you never had someone to follow

F#m D A E
I know you always said you'd find it your own way

F#m D A E
You keep your feelings safe like letters in a bottle

F#m D E....
Hoping that they'd wash up on my shore someday

Chorus

Don't make me wait

F#m D A E
I see something hiding inside you

F#m D A
Secrets you are dying to say

E
I know you're afraid

F#m
But if you want me

D A
Never to leave you
E F#m D A
Tell me no lies, no lies, no lies

E F#m D A E
Just tell me no lies

...and so on and so forth
