

Pretty Eyes
Jason Reeves

(intro) **E A9**

E
As we were driving
A **E**
You turned your head around and looked right at me
A **E/G#**
I couldn't see the road and it was scary
A **F#m**
How beautiful you are when you get crazy
A **B**
I have never felt so weak

(refrão)

Ema j7 **A9**
Maybe I would disappear without you
Ema j7 **A9**
Maybe I would fall into the sky
C#m **C** **A9**
I m in heaven orbiting around you
F#m
And your pretty eyes
A9
Your pretty eyes

We took the highway
It curves along the ocean on a Friday
Sun is falling down and you were shining
The rhythm of the waves just keeping time as
You were saying this?

(repetir refrão)

(ponte)

C#m
Look
B
At all the stars
A
Up in the sky
F#m **B**
They looked alive
C#m **B**
I wonder what's on
A
The other side
F#m **B**

It's full alive

(repetir refrão 2x)
