

**The Sun Shines On Everything**  
**Jason Reeves**

Verse 1:

**G** **Cadd9**

Is anything hiding in the sky?

**G** **Cadd9**

if only the wind taught me feet to fly.

**G** **Cadd9**

so maybe the clouds are a little shy.

**G** **Cadd9**

its making me wonder.

Pre-Chorus:

**Em** **D** **C**  
if everything s this beautiful beneath the pavement.

**Em** **D** **C**  
if everything is beautiful inside my mind.

Chorus:

**G** **D** **Em** **C**  
and i feel it going down i feel it.

**G** **D** **Em** **C**  
and i feel it all around my body.

**G** **D** **Em** **C**  
this sun is certainly

**G** **D** **Em** **C**  
shining on everything.

Verse 2:

**G** **Cadd9**  
you hit my eyes like the morning light

**G** **Cadd9**  
rushing like waves through the countryside.

**G** **Cadd9**  
and you took me down like a landslide.

**G** **Cadd9**  
you re taking me under.

Pre-Chorus:

**Em** **D** **C**  
if everything s this beautiful beneath the pavement.

**Em** **D** **C**  
if everything is beautiful inside my mind.

Bridge:

**Am** **E**  
this used to be air and i really miss breathing,

**C** **D**  
there used to be grass underneath the trees.

**Am** **E**  
the city is a vampire sucking on phone lines

**C** **D** (**Am E C D**) x2  
the sun is still shining on everything.

Chorus:

**G** **D** **Em** **C**  
and i feel it going down i feel it.
