G
You're my best friend

Words won't say what you are so I won't even try
Suddenly I know I'll love you til the day I die

Cause you're my best friend
You're my dream that came alive
You're my reason, You're my faith and you're my fire
You're my lover, You're my angel in the night
You're my sunrise
You're the stars and I'm the sky
You're my best friend, You're my only love until the end
You're my best friend, You're my best friend, You're my best friend

Cause you're my best friend
You're my dream that came alive
You're my reason, You're my faith and you're my fire
You're my lover, You're my angel in the night
You're my sunrise
You're the stars and I'm the sky

You re my best friend, You re my only love until the end
You re my best friend, You re my best friend, You re my best friend
