G#
You re my best friend

Words won t say what you are so I won t even try
Suddenly I know I ll love you til the day I die

Cause you re my best friend
You re my dream that came alive
You re my reason, You re my faith and you re my fire
You re my lover, You re my angel in the night
You re my sunrise
You re the stars and I m the sky
You re my best friend, You re my only love until the end
You re my best friend, You re my best friend, You re my best friend

Cause you re my best friend
You re my dream that came alive
You re my reason, You re my faith and you re my fire
You re my lover, You re my angel in the night
You re my sunrise

You re the stars and I m the sky

You re my best friend, You re my only love until the end

You re my best friend, You re my best friend, You re my best friend
