Your My Best Friend- Jason Reeves

*=Same base chord + play the 3rd fret on the high E string

F# C# Ebm7 Badd9 F# C# Ebm7 Badd9

People wait all their lives to finally feel this way

F# C# Ebm7 Badd9 F# C# Ebm7 Badd9

It s only once in a lifetime you give yourself away

F#

You re my best friend

В*

You re my dream that came alive

G#m* B* C#

You re my reason, You re my faith and you re my fire

F# B*

You re my lover, You re my angel in the night

G#m*

You re my sunrise

B* C#

You re the stars and I m the sky

You re my best friend, You re my only love until the end

F# C# Ebm Badd9

F#

You re my best friend

Words won t say what you are so I won t even try Suddenly I know I ll love you til the day I die

Cause you re my best friend

You re my dream that came alive

You re my reason, You re my faith and you re my fire

You re my lover, You re my angel in the night

You re my sunrise

You re the stars and I m the sky

You re my best friend, You re my only love until the end

You re my best friend, You re my best friend, You re my best friend

Cause you re my best friend

You re my dream that came alive

You re my reason, You re my faith and you re my fire

You re my lover, You re my angel in the night

You re my sunrise

You re the stars and I m the sky

You re my best friend, You re my only love until the end You re my best friend, You re my best friend, You re my best friend
