A E F#m Dadd9

Α

You re my best friend

Words won t say what you are so I won t even try Suddenly I know I ll love you til the day I die

Cause you re my best friend You re my dream that came alive You re my reason, You re my faith and you re my fire You re my lover, You re my angel in the night You re my sunrise You re the stars and I m the sky You re my best friend, You re my only love until the end You re my best friend, You re my best friend, You re my best friend

Cause you re my best friend You re my dream that came alive You re my reason, You re my faith and you re my fire You re my lover, You re my angel in the night You re my sunrise You re the stars and I m the sky You re my best friend, You re my only love until the end You re my best friend, You re my best friend, You re my best friend
