

In Your Presence

Jason Upton

In Your Presence

Capo 1

[Verse 1]

Bm **G**
Father, I am waiting
G/E **A**
I need to hear from You
Bm **G**
To know that Youâ€™re approving
G/E **A**
Of what I say and do
F#m **Bm**
Cause nothing really satisfies
G **A/E**
Like when You speak my name
F#m **Bm**
So tell me that Youâ€™ll never leave
G **A**
And everything will be okay

[Chorus]

G D/F# A Bm
In Your presence, all fear is gone
G D/F# A
In Your presence.
G D/F# A Bm
In Your presence, Itâ€™s where I belong
G D/F# A
In Your presence.

[Verse 2]

Bm **G**
Father, Iâ€™m returning
G/E **A**
To things I used to do
Bm **G**
Cause somewhere on this journey
G/E **A**
I think I lost hold of the truth
F#m **Bm**
Cause nothing really satisfies
G **A**
Like when You speak my name

F#m
