

Jacobs Dream

Jason Upton

Dm **G/B** **C**
Jacob really longed to be a hero
Dm **G/B** **C**
All I really wanted was a friend
 Bb **G/B**
I m the way, the life, the truth
 C **Dm** **C/E** **F**
So tell Me Jacob when will the lying end?
 Dm **C/E** **F**
And does the striving make you strong?
Bb **G/B** **C**
Because when I came to love on you
 Dm **C/E** **G**
You fought me till the dawn

Pre Chorus:

Dm **C/E** **D/F#**
Finally Jacob s lying down
 G **Asus**
And while he sleeps I will dream
 Dm **C/E** **D/F#**
Of a generation not known for their crowns,
 G **Asus**
Or success, but a King...
 Dm **C/E** **D/F#**
Who was not so much as interested in crowds,
 G **Asus**
Or pleasing men, but knowing Me

Chorus:

Bb **G/B** **C** **Dm** **C/E** **F** **G**
I have given Jacob s generation the key of David, intimacy
Bb **G/B** **C**
To open up the doorway to the nations,
 Dm **C/E** **F** **G** **Bb** **G/B** **C** **Dm** **C/E** **F** **Gsus** **G**
And release revelation, of intimacy, with me

Verse 2:

Jacob had a dream for all the ages
Jacob had a drive to build a nation
But the fighting is in vain
If your only aim is to build your own great name

Because My dream s not what you do
Jacob will you dream for me
The way that I have dreamed for you
