

Cry
Jason Walker

C **G**
Oh no, where did all the years go
Am G F
And was it really worth all of this
C G
Heartache that was handed to me
Am G F
Holding on just don t make sense

Am G F
But the hardest part of letting go

Is tryin to find a way
Am G F
To let you know

C
So we ll just cry, cry
G
On each other s shoulders
Am
Cry until it s over
F
Can t it just be over
C
And we ll just cry, cry
G
Cry until it s all gone
Am
Been holding on for too long

F
Time for us to move on
Am G F
I m tired of tryin to find a reason why
C
So let s just cry

C G
I ve been thinking bout my life and
Am G F
How much time I ve wasted
C G
I m ready to put it all behind
Am G F
Let it all be yesterday

Am **G** **F**
But the hardest part of letting go

Is tryin to find a way

Am **G** **F**
To let you know

C
So we ll just cry, cry
G
On each other s shoulders

Am
Cry until it s over

Can t it just be over

Cry until it s all gone

On each other s shoulders

Cry until it s over

Can t it just be over
