Verse 1
A5 **D**
Stuck in an insane sway, in theory yesterday,
A5 **D**
The sound of a heart attack all covered in black,

Verse 2
A5 **D**
The sun breaks out at noon, my time is soon,
A5 **D**
Be at my side, my friend, let me confide,

Pre-Chorus
Bm **D** **A5**
All we need to find is time to waste time,
Bm **D** (pause) **A5**
Turn around and crawl all over the walls.

Chorus
F#m **E**
Drinking wastes time
D **A**
And I waste my mind
F#m **E**
Our house made of clay
D **A**
All the walls rot away
F#m **E**
Itâ€™s a crying shame
D **A**
So letâ€™s live in the rain
B7 **D**
But for now
A
Itâ€™s all over the walls

Verse 3

A5 **D**
Iâ€™m praying itâ€™s okay, if I break down and cry,
A5 **D**
Lost my house, my home and my God up in the sky

Pre-Chorus

Bm **D** **A5**
All we need to find is time to waste time,
Bm **D** (pause) **A5**
Turn around and crawl all over the walls.

Chorus

F#m **E**
Drinking wastes time
D **A**
And I waste my mind
F#m **E**
Our house made of clay
D **A**
All the walls rot away
F#m **E**
Itâ€™s a crying shame
D **A**
So letâ€™s live in the rain
B7 **D**
But for now
A
Itâ€™s all over the walls
